An hour should be plenty. I'm taking Thursday and Friday off this week, but I'm here tomorrow (Wednesday 2/16) and available starting at 11 AM.

Next week I'm in Tuesday – Friday. Tuesday and Friday I'm available from 9 AM – 5 PM, Wednesday I'm available starting at 11:30 AM, and Thursday I'm available starting at 9:30 AM.

Let me know what works.

Thanks,

Hi Brian,

Would an hour be enough for the City of Spokane? I would like to have a meeting if we can make a time work. Please let me know what times you are available and how long to schedule the meeting.

Thank you, Diana

Diana, Pat:

I've drafted comment letters for both the Kaiser and Spokane RPWRF draft permits. The comment letters address the topics we discussed verbally a couple of weeks ago, as well as some additional things I noticed in my review of the draft documents.

The comments have been reviewed at the staff level. Before I send them to my supervisor for signature, I was wondering if you wanted to have another meeting to discuss the comments we plan to send. Let me know.

Thank you,
